MS Amalia Rodrigues

This ship's interior pays homage to the Queen of Fado, Amalia Rodrigues, the famous Portuguese singer and actress.

The warm terracotta tones suggest the streets in Lisbon and the accessories the fadista wore on stage. Light-hued woods and wicker bring to mind the guitars that are part of the genuine southern Portuguese spirit.

Built in 2018 and christened in 2019, this Superior-category ship offers ample space in each cabin and public areas. Large picture windows on the Upper and Mid Decks display all the scenery as the ship cruises. These decks share four suites. Two of the suites have private patios with sunloungers.

All the meals during the cruise are served in the restaurant on the Main Deck. Onboard fun, music, and dancing happen in the lounge and bar on the Mid Deck bow, where a cozy patio also provides great landscape views.

The Sun Deck has a pool and sunloungers that everyone can enjoy.
