MS Elbe Princesse

This ship has a contemporary, Nordic feel to it—accented by light-hued woods and the sleek architectural lines found in the capital cities in northern Europe.

Fuchsia- and cyan-colored velvet and fur give a cozy, elegant feel to the interior.

The Main Deck cabins have large windows, and the Upper Deck cabins have grand picture windows with French balconies.

All the meals during the cruise are served in the restaurant on the Main Deck, which can be accessed directly from the lounge and bar. The restaurant is surrounded by panoramic windows that give fantastic views of the scenery as it flows by. The lounge and bar on the stern of the Upper Deck are where cocktails, games, dancing, and other fun-filled evenings take place. The lounge has outdoor access so you can have a drink while enjoying the feel of the open air.

The Sun Deck, with chairs and sunloungers, is the best place on the ship for an unobstructed view of the sites.
